Revision to Construction Plans or Plan Documents

Type of Permit: Residential Commercial

NOTE: Construction plans and supporting plan documents must remain in like format.
 The original submittal method, whether electronic or hard copy, must be used throughout the review and re-review process. You may not submit part digitally and part hard copy.
Mixed submittals will be denied.

Type of Correction:

- Correction to Denied Plans (prior to Permit Issuance)
- Revision to Previously Approved Plans (After permits have been paid for and Permit Card is Issued)
- Plans Related Documents (Energy Calcs, Product Approval, Supplement Sheets, etc.)
- Additional Information requested by the permit technician prior to or after plans approval
